PENALTIES FOR FAILURE TO FILE COMPLETE AND ACCURATE FORMS

Failure to file a return on or before the date, as required by law, will result in the imposition of a twenty-five dollar (\$25.00) penalty. In addition, if a return is not filed within thirty (30) days after such return is due, a penalty equal to twenty percent (20%) of the taxes finally determined to be due with respect to the property which should have been reported will be imposed. A personal property return is not due until the expiration of any extension period granted by the township assessor under IC 6-1.1-3-7(b).

If the total assessed value that a person reports on a personal property return is less than the total assessed value that the person is required by law to report and if the amount of the undervaluation exceeds five percent (5%) of the value that should have been reported on the return, then the county auditor shall add a penalty of twenty percent (20%) of the additional taxes finally determined to be due as a result of the undervaluation.

In completing a personal property return for a year, a taxpayer must make a complete disclosure of all information relating to the value, nature or location of personal property owned, held, possessed or controlled on the assessment date [IC 6-1.1-3-9(a)], and information relating to improvements made since the preceding assessment date to real property owned, held, possessed or occupied. Filing Basics:

- Every person owning, holding, possessing, or controlling personal property in Indiana on March 1st is required to file a form by May 15th.
- Taxpayers may request up to a thirty (30) day extension of time to file their return. The written request should be sent to the assessor before the filing deadline of May 15th and should include a reason for the request. The assessor has the authority to approve, deny, or set a different deadline of less than thirty (30) days for each request received.
- Personal property must be assessed in each taxing district where property has a tax situs.
- Inventory located in the State of Indiana is exempt and is not required to be reported.
- It is the responsibility of the taxpayer to obtain forms from the assessor and file a timely return. The forms are also available on-line at the department's website www.in.gov/dlgr
- If you hold, possess, or control not-owned personal property on the assessment date, you have a liability for the taxes imposed for that year unless you establish that the property is to be assessed to the owner. This is done by completing a Form 103-N, attaching it to the Form 103 - Long, and filing it with the assessor. NOTE: Failure to properly disclose lease information may result in a double assessment.
- Taxpayers, who discover an error was made on their original timely filed personal property tax return, have the right to file an amended return. The amended return must be filed within six (6) months of the due date or the extended due date (if up to a thirty (30) day extension was granted) of their original return.

Frequently Asked Questions:

- A. How do I find out my Taxing District Name & Number?**
You will need to contact your County Assessor for assistance since heavily populated areas can have several taxing districts within a single township.
- B. How do I find out my NAICS number?**
This 6 digit code number appears on the federal returns filed for businesses. For a complete list of the codes, go to www.census.gov
- C. Will my local assessor fill this form out for me?**
Indiana's personal property tax system is a self-assessment system. An assessor can offer assistance with the filing; however, an authorized person representing the business must sign the form under penalties of perjury that it is true and correct so the responsibility of filing an accurate return remains with the taxpayer.
- D. How can I learn more about Indiana's personal property tax system, locate forms, or find the address or telephone number of the assessor that I need to contact?**
Go to the Indiana Department of Local Government Finance's website at www.in.gov/dlgr

FILING REQUIREMENTS

Property in more than one Taxing District - Due to varying tax rates, a taxpayer who has property in two or more taxing districts within the same township must file separate returns in each district covering only property located in that district. [IC 6-1.1-3-10(b)]

Duplicate Return Requirement - Every taxpayer whose total combined assessed value of business personal property within a single taxing district is \$150,000 or more must file each return in duplicate including the confidential returns and schedule attached thereto. See 50 IAC 4.2-2-7(a). [IC 6-1.1-3-7(c)]
Total assessed value of business personal property filed in this taxing district is: \$150,000 or more Less than \$150,000

Were expenditures made since March 1 of last year for improvements on any real estate owned, held, possessed, controlled or occupied by the taxpayer in the township wherein this return is filed? Yes No

If Yes, attach a statement setting forth: Name of owner, location of real estate and explaining nature, cost, date construction of improvements was begun and date construction was completed. If not completed as of March 1, state the percentage completed at that time. (IC 6-1.1-5-13)

PENALTIES FOR FAILURE TO FILE COMPLETE AND ACCURATE FORMS

Failure to file a return on or before the date, as required by law, will result in the imposition of a twenty-five dollar (\$25.00) penalty. In addition, if a return is not filed within thirty (30) days after such return is due, a penalty equal to twenty percent (20%) of the taxes finally determined to be due with respect to the property which should have been reported will be imposed. A personal property return is not due until the expiration of any extension period granted by the township assessor under IC 6-1.1-3-7(b).

If the total assessed value that a person reports on a personal property return is less than the total assessed value that the person is required by law to report and if the amount of the undervaluation exceeds five percent (5%) of the value that should have been reported on the return, then the county auditor shall add a penalty of twenty percent (20%) of the additional taxes finally determined to be due as a result of the undervaluation.

In completing a personal property return for a year, a taxpayer must make a complete disclosure of all information relating to the value, nature or location of personal property owned, held, possessed or controlled on the assessment date [IC 6-1.1-3-9(a)], and information relating to improvements made since the preceding assessment date to real property owned, held, possessed or occupied. (IC 6-1.1-5-13) This information would include, but not be limited to, completion of the heading and related information, answers to all questions and entries on all of the appropriate lines on the face of the return. If such information is not provided, the taxpayer will be contacted and directed to provide that information. In addition, a penalty of twenty-five dollars (\$25.00) may be imposed. [IC 6-1.1-37-7(d)]

The above penalties are due on the property tax installment next due for the return whether or not an appeal is filed with the Indiana Tax Court with respect to the tax due on that installment. [IC 6-1.1-37-7(f)]

- Did you own, hold, possess or control any Special Tools on March 1? Yes No (See 50 IAC 4.2-6-2)

If taxpayer answers "yes" to question 5, the owner must file Form 103-O and the possessor must file Form 103-N. Failure to properly disclose lease information may result in a double assessment. (See 50 IAC 4.2-2 and 50 IAC 4.2-8).

Duplicate Return Requirement. Every taxpayer whose total combined assessed value of business personal property in a single taxing district is \$150,000 or more must file each return in duplicate including the confidential returns and schedules attached thereto. (IC 6-1.1-3-7(c))

Failure to file a return on or before the due date, as required by law, will result in the imposition of a twenty-five dollar (\$25) penalty. In addition, if the return is not filed within thirty (30) days after such return is due, a penalty equal to twenty percent (20%) of the taxes finally determined to be due with respect to the property which should have been reported will be imposed. A personal property return is not due until the expiration of any extension period granted by the assessing official under IC 6-1.1-3-7 (b). If the total assessed value that a person reports on a personal property return is less than the total assessed value that the person is required by law to report and if the amount of the undervaluation exceeds five percent (5%) of the value that should have been reported on the return, then the county auditor shall add a penalty of twenty percent (20%) of the additional taxes finally determined to be due as a result of the undervaluation.

In completing a personal property return for a year, a taxpayer must make a complete disclosure of all information relating to the value, nature or location of personal property owned, held, possessed or controlled on the assessment date. (IC 6-1.1-3-9 (a)) This information would include, but not be limited to, completion of the heading and related information, answers to all questions on the face of the return, and entries on all of the appropriate lines of Schedules A. If such information is not provided, the taxpayer will be contacted and directed to provide that information. In addition, a penalty of \$25 may be imposed. (IC 6-1.1-3-7(d))

Filing Basics:

- Every person owning, holding, possessing, or controlling personal property in Indiana on March 1st is required to file a form by May 15th.
- Taxpayers may request up to a thirty (30) day extension of time to file their return. The written request should be sent to the assessor before the filing deadline of May 15th and should include a reason for the request. The assessor has the authority to approve, deny, or set a different deadline of less than thirty (30) days for each request received.
- Personal property must be assessed in each taxing district where property has a tax situs.
- Inventory located in the State of Indiana is exempt and is not required to be reported.
- It is the responsibility of the taxpayer to obtain forms from the assessor and file a timely return. The forms are also available on-line at the department's website www.in.gov/dlqf
- If you hold, possess, or control not-owned personal property on the assessment date, you have a liability for the taxes imposed for that year unless you establish that the property is to be assessed to the owner. This is done by completing a Form 103-N, attaching it to the Form 103 - Long, and filing it with the assessor.
NOTE: Failure to properly disclose lease information may result in a double assessment.
- Taxpayers, who discover an error was made on their original timely filed personal property tax return, have the right to file an amended return. The amended return must be filed within six (6) months of the due date or the extended due date (if up to a thirty (30) day extension was granted) of their original return.

Frequently Asked Questions:

- A. How do I find out my Taxing District Name & Number?**
You will need to contact your County Assessor for assistance since heavily populated areas can have several taxing districts within a single township.
- B. How do I find out my NAICS number?**
This 6 digit code number appears on the federal returns filed for businesses. For a complete list of the codes, go to www.census.gov
- C. Will my local assessor fill this form out for me?**
Indiana's personal property tax system is a self-assessment system. An assessor can offer assistance with the filing; however, an authorized person representing the business must sign the form under penalties of perjury that it is true and correct so the responsibility of filing an accurate return remains with the taxpayer.
- D. How can I learn more about Indiana's personal property tax system, locate forms, or find the address or telephone number of the assessor that I need to contact?**
Go to the Indiana Department of Local Government Finance's website at www.in.gov/dlqf
