

RESOLUTION NO. 2015-05

**A RESOLUTION OF THE PLAINFIELD REDEVELOPMENT COMMISSION
PLEDGING CERTAIN TAX INCREMENT REVENUES TO THE PAYMENT OF
CERTAIN LEASE RENTALS UNDER A LEASE WITH THE PLAINFIELD
REDEVELOPMENT AUTHORITY, COVENANTING TO LEVY A SPECIAL TAX IN
THE EVENT SUCH PLEDGED REVENUE IS INSUFFICIENT, ESTABLISHING
CERTAIN FUNDS AND ACCOUNTS RELATED TO SUCH LEASE, AND OTHER
RELATED MATTERS**

**(RELATING TO I-70 INTERCHANGE
ECONOMIC DEVELOPMENT AREA AND ALLOCATION AREA)**

WHEREAS, the Town of Plainfield Redevelopment Commission (the "Commission"), governing body of the Town of Plainfield Redevelopment District (the "District"), has previously created the I-70 Interchange Economic Development Area and the I-70 Interchange Allocation Area (the "Allocation Area") for purposes of the allocation and distribution of property taxes under IC 36-7-14-39; and

WHEREAS, the Town of Plainfield Redevelopment Authority (the "Authority") is considering the issuance of its Plainfield Redevelopment Authority Lease Rental Revenue Bonds of 2015, Series C (I-70 Project), in the maximum principal amount of \$13,000,000 (the "2015C Bonds"), the proceeds of which will be used to provide financing for all or a portion of a certain economic development project as described in Exhibit A hereto (collectively, the "Project"); and

WHEREAS, the Commission has not obligated itself to set aside and apply future Pledged TIF Revenues (as hereinafter defined) to any other purpose or commitment, nor has the Commission pledged the Pledged TIF Revenues to any other purpose or commitment; and

WHEREAS, the Authority intends to lease the Project to the Commission pursuant to a Lease expected to be dated as of March 1, 2015, as the same may be hereafter amended from time to time (the "Lease"), which Lease was heretofore approved by this Commission; and

WHEREAS, it is necessary for the Commission to (i) establish certain funds and accounts for the payment of the rentals owed by the Commission pursuant to the Lease, (ii) pledge certain tax increment revenues to make rental payments under the Lease, and (iii) covenant to levy a special tax to the extent such pledged tax increment revenues are insufficient to make all required payments under the Lease;

NOW, THEREFORE, BE IT RESOLVED by the Town of Plainfield Redevelopment Commission, as follows:

1. There is hereby created and established a Redevelopment District Bond Fund to consist of a I-70 TIF Lease Payment Account (the "Lease Payment Account") and such other accounts as the Commission shall from time to time establish. From the Lease Payment Account, all required lease rental payments under the Lease shall be made by the Commission to the Authority.

2. (a) Subject to Section 2(b) hereof, the rental payments to be paid from the Lease Payment Account under the Lease shall be payable from (i) taxes on real property located in the Allocation Area allocated and deposited in the allocation fund for the Allocation Area (the "Allocation Fund") pursuant to Indiana Code 36-7-14-39, as amended, and proceeds from the sale or leasing of property in the Allocation Area under Indiana Code 36-7-14-22 deposited in the Allocation Fund as required by Indiana Code 36-7-14-26, as amended (collectively, the "Pledged TIF Revenues"). Upon receipt of the semi-annual distributions of Pledged TIF Revenues, the Commission shall immediately deposit with the corporate trustee for the 2015C Bonds an amount at least equal to the next rental payment due under the Lease (subject to Section 2(b) hereof).

(b) To the extent that the Pledged TIF Revenues are insufficient to pay any rental payment due under the Lease, after taking into consideration any outstanding Parity TIF Pledges (as hereinafter defined), rental payments under the Lease shall be payable from a tax levied upon all of the taxable property in the Redevelopment District of the Town of Plainfield, Indiana (the "Special Tax"). If, on August 2 of any year while there are any 2015C Bonds outstanding, (i) the amounts then on deposit in the Lease Payment Account plus amounts then on deposit in the Allocation Funds and available to make rental payments under the Lease (after taking into consideration any outstanding Parity TIF Pledges and any other moneys legally available), plus (ii) the amounts then on deposit under the Trust Indenture for the 2015C Bonds, are, together, insufficient to pay all of the rental payments under the Lease for the next three Lease rental payment dates (i.e., the next January 15, July 15, and next succeeding January 15 Lease rental payment dates), then the Commission shall cause to be levied the Special Tax for the next succeeding calendar year at a level sufficient to pay the shortfall resulting from any such insufficiency of Pledged TIF Revenues. Upon receipt, the Special Tax revenues shall be deposited with the corporate trustee for the 2015C Bonds.

(c) The Commission, in consideration of the Lease, in order to secure the payment of rentals due thereunder and the performance and observance of the covenants thereunder, hereby pledges to the Authority, and the holders of the 2015C Bonds, the Pledged TIF Revenues and the Special Tax revenues, along with any investment earnings thereon, such pledge to be effective as set forth in Indiana Code 5-1-14-4 without filing or recording of the Lease, this Resolution or any other instrument. The pledge of Pledged TIF Revenues and Special Tax revenues shall be effective only to the extent and for the term that the Commission is obligated to make rental payments under the Lease. The obligation of the Commission to make rental payments under the Lease is limited to Pledged TIF Revenues and Special Tax revenues, and investment earnings thereon, and shall not be considered a debt of the Town or the Redevelopment District of the Town for purposes of the Constitution or laws of the State of Indiana.

3. The District reserves the right to pledge the Pledged TIF Revenues to additional bonds or other obligations or to otherwise make additional pledges of the Pledged TIF Revenues (collectively, "Parity TIF Pledges"), ranking on a parity with the pledge of the Pledged TIF Revenues to the payment of the rental payments under the Lease and payable ratably from the Pledged TIF Revenues for the purpose of raising money for future property acquisition, redevelopment or economic development in or serving or benefitting the Allocation Area, for refunding any previously issued and outstanding Parity TIF Pledges, or for any other legally

permitted purpose. The authorization and issuance of Parity TIF Pledges shall be subject to the following conditions precedent:

(a) All interest and principal payments with respect to all obligations payable from the Pledged TIF Revenues shall be current to date with no payment in arrears;

(b) Payments on any Parity TIF Pledges or junior obligations payable from Pledged TIF Revenues (either principal maturities, mandatory sinking fund payments, lease rental payments or otherwise) shall be payable semiannually on January 15 and July 15 of each year; and

(c) The Commission shall have received a certificate prepared by an independent certified public accountant or an independent financial consultant (the "Certifier") certifying that the Pledged TIF Revenues estimated to be received in each succeeding year, adjusted as provided below, is estimated to be equal to at least one hundred thirty-five percent (135%) of the principal and interest and lease rental requirements of all obligations of the District payable from the Pledged TIF Revenues for each respective year during the term of the Lease and the Parity TIF Pledges. In estimating the Pledged TIF Revenues to be received in any future year, the Certifier shall base its calculation on assessed valuation actually assessed or to be assessed as of the assessment date immediately preceding the making of the Parity TIF Pledges; provided, that the Certifier shall adjust assessed values for the property tax abatements granted to property owners in the Allocation Area and may take into account the effect of reassessment on Pledged TIF Revenues to the extent it can be reasonably estimated. No increase in Pledged TIF Revenues to be received in any future year shall be estimated which results from projected inflation in property values or tax rates. Notwithstanding the foregoing, if Parity TIF Pledges are to be made for the purpose of refunding the 2015C Bonds, then the requirements of this subsection (c) need not be satisfied so long as (i) the refunding bonds do not have a maturity longer than the 2015C Bonds being refunded, and (ii) the debt service of the refunding bonds is less than or equal to the debt service on the 2015C Bonds being refunded in each year. The Commission shall approve and confirm the findings and estimates set forth in the above-described certificate in any supplemental resolution authorizing the making of Parity TIF Pledges. Notwithstanding the foregoing, Parity TIF Pledges that are additionally secured by a special benefits tax levy under IC 36-7-14-27, by a property tax levy, or a pledge of local option income tax may be entered into without meeting the foregoing requirements in this subsection (c).

Except as otherwise provided in this Section 3, so long as the Lease is in effect, no additional obligations pledging any portion of the Pledged TIF Revenues shall be authorized, executed or issued by the Town or the Commission except such as shall be made subordinate and junior in all respects to the pledge of Pledged TIF Revenues to the lease rentals under the Lease, unless the 2015C Bonds are redeemed and retired coincidentally with the delivery of such additional obligations or funds sufficient to effect such redemption are available and set aside for that purpose at the time of issuance of such additional obligations.

4. The President, the Vice President and the Secretary of the Commission are, and each of them is, hereby authorized to take all such actions and to execute all such instruments (including, without limitation, (i) an addendum to the Lease reducing lease rentals based on the

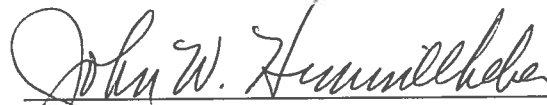

results of the sale of the 2015C Bonds and (ii) an agency agreement between the Commission and the Authority providing for the Commission to serve as agent to the Authority with respect to the construction of the Project) as are necessary and desirable to carry out the transactions contemplated by this Resolution, in such forms as the President, the Vice President and the Secretary of the Commission executing the same shall deem proper, to be evidenced by the execution thereof.

5. The Commission hereby approves the preliminary plans and specifications for the Project submitted to the Commission at this meeting.

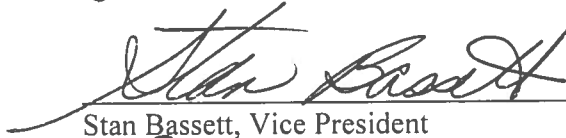

6. This resolution shall be deemed to take effect immediately upon adoption by the Commission.

Adopted the 24th day of March, 2015.

TOWN OF PLAINFIELD
REDEVELOPMENT COMMISSION

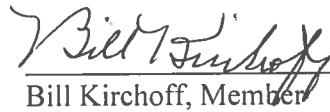

John W. Himmelheber, President

Stan Bassett, Vice President

Lance K. Angle, Secretary

Bill Kirchoff, Member

Kent McPhail, Member

Exhibit A

Widening and improvement of Hadley Road from White Lick Creek west to Moon Road then north along Moon Road and Saratoga Parkway ending at the intersection of Saratoga Parkway and Concorde Road. Alternate alignment of a portion of the Project is possible via a parcel of Department of Correction land that abuts both Moon Road and Hadley Road. The improvements include but are not limited to added travel lanes, curbing, storm drainage systems, utility lines including sanitary sewer, water and relocation of gas, telecommunications and power lines, sidewalks, trails, and other work normal and customary in the development of a roadway corridor project. The Project will consist of at least two travel lanes and turn lanes as needed at the various intersection locations along the corridor.
