WHEREAS, the Town of Plainfield Redevelopment Commission (the "Commission"), the governing body of the Town of Plainfield, Indiana Department of Redevelopment (the "Department") and the Redevelopment District of the Town of Plainfield, Indiana, exists and operates under the provisions of Indiana Code 36-7-14, as amended from time to time (the "Act"); and

WHEREAS, on February 27, 1995, the Commission adopted and approved its Resolution No. PRC 1-1995 (the "Original Declaratory Resolution"), which designated and declared an area within the Town of Plainfield, Indiana (the "Town"), entitled "U.S. 40 Corridor Economic Development Area" (the "Original Area") to be an economic development area within the meaning of the Act, approved a coterminous allocation area (the "Original Allocation Area") and approved an economic development plan for the Area entitled "Economic Development Plan" (the "Original Plan"); and

WHEREAS, pursuant to Section 16(a) of the Act, on March 6, 1995, the Town of Plainfield Plan Commission (the "Plan Commission") subsequently adopted and approved its Resolution constituting its written order approving the Original Declaratory Resolution and the Original Plan (the "Plan Commission Order"); and

WHEREAS, the Original Declaratory Resolution has been supplemented and amended from time to time by the Commission (the Original Declaratory Resolution, as so supplemented and amended, shall hereinafter be referred to as the "Declaratory Resolution"), the Original Area and the Original Allocation Area have been expanded from time to time by the Commission (the Original Area, as so expanded, shall hereinafter be referred to as the "Amended Area"), and the Original Plan has been supplemented and amended from time to time by the Commission (the Original Plan, as so supplemented and amended, shall hereinafter be referred to as the "Plan"); and

WHEREAS, the Amendment is reasonable and appropriate when considered in relation to the Declaratory Resolution, the Plan and the purposes of the Act; and

WHEREAS, in determining to undertake the Plan as amended by the Plan Amendment, the Commission has given consideration to transitional and permanent provisions for adequate housing for the residents of the Area, if any, who will be displaced by the economic development thereof; and

2. The Commission hereby finds that it will be of public utility and benefit to amend the Plan for the Area, to include the Amendment.

5. The Secretary of the Commission is directed to file a certified copy of the Plan, as amended, and this Resolution with the minutes of this meeting.

6. This Resolution, together with supporting data, shall be submitted to the Plan Commission and the Town Council of the Town, as provided by Section 16 of the Act, for the approval of this Resolution and the Amendment, and if approved by both bodies, this Resolution and the Amendment shall be submitted to public hearing and remonstrance as proved by Section 17 of the Act, after public notice in accordance with Sections 17 and 17.5 of the Act and Indiana Code 5-3-1 and after all required filings with governmental agencies and officers have been made pursuant to Section 17(b) of the Act.

**EXHIBIT A**  
**PLAN AMENDMENT**

1. The Plan for the Area is amended for the purpose of including the following project:

The financing of the acquisition, development, redevelopment, construction, installation and equipping of the Outlot Parcel (defined below) located at parcel number 32-09-30-101-003.000-012, also located of the JC Penney parking lot at the Shops at Perry Crossing in, Plainfield, Indiana. The Redevelopment Commission hereby finds that the parcel is located in and serves or benefits the Area.

2. The purchase price to acquire the Outlot Parcel shall be determined by appraisals and/or negotiation with the owner of the Outlot Parcel, and the Commission will be expending funds to cover closing costs and costs to position the Outlot Parcel for redevelopment. It is expected that such amounts will be funded from cash on hand and/or bonds issued or leases entered into by the Redevelopment Commission to finance such project, the payment of which bonds or leases is secured by tax increment revenues generated in the allocation area for the Area.

3. The Plan shall include the acquisition, development, redevelopment, construction, installation and equipping of the Outlot Parcel, which requires a significant amount of labor and material.

4. The acquisition, development, redevelopment, construction, installation and equipping of the Outlot Parcel will provide needed retail entertainment, office and meeting options that the Town currently lacks, and will retain and attract residents to the area, which will attract additional business and investment, and will create construction jobs and increase the tax base for the Town.

5. The acquisition, development, redevelopment, construction, installation and equipping of the Outlot Parcel is necessary and significant and would be cost prohibitive without the Plan and the expansion of the Area.

6. The acquisition, development, redevelopment, construction, installation and equipping of the Outlot Parcel will also drive the demand for additional commercial services for residents, will encourage additional commercial development, especially along U.S. 40 on the east side of the Town, and will help diversify the population of the Town.

7. The Outlot Parcel will be exempt from property tax after it is acquired by the Commission. It is not possible to estimate the increase in the property tax base of the Outlot Parcel after it is redevelopment at this point.

8. The following property is proposed to be added to the acquisition list for the Economic Development Plan for the U.S. 40 Corridor Economic Development Area:

Parcel #32-09-30-101-003.000-012

(collectively, the “Outlot Parcel”).

[The above-referenced property shall not be acquired until after the appraisal of the property and compliance with other procedures required by Indiana Code 36-7-14-19.]

10. In the development or redevelopment of real property and improvements acquired or to be used in the accomplishment of the Plan, the Commission shall proceed in the same manner as private owners of the property.
