RE: Andy Mohr Ford Building Expansion

This letter has been prepared to correspond with plan changes made per Board of Zoning Appeals Approval.

1. The width of the drive adjacent to the Proposed Expansion on the North-West side of the building has been reduced from 24' to 15' and the curbs adjusted accordingly.
2. A parking table has been created to demonstrate that required parking minimums have been met.

Professionally,

Jerry W. Kittle,
Director of Engineering
