

Attention: Eric Berg, Terry Jones, Ty Whitson, & Tim Belcher

I, Lucas Karr, formally request that Bill Kirchoff and Rich Philip disqualify themselves insofar as petitions RZ-18-007 and RZ-18-008 are concerned.

Per the Plan Commission Rules of Procedure, "A member of the Plan Commission who has a **direct or indirect personal or financial** interest in any Petition presented shall: disqualify himself or herself insofar as the particular Petition is concerned; not sit as a member of the Plan Commission during the hearing of the particular Petition; and, not participate as a member in the Plan Commission's hearing or decision in such Petition."

According to property records, Bill Kirchoff owns property at 5393 Lippizan Lane in Plainfield. This property is less than 1500 feet from the proposed re-zoning area and is part of a subdivision that would be in direct competition with the proposed subdivision for future buyers. The changes to this area will have a direct impact on both his personal and financial (property values) interests and therefore he should recuse himself.

According to property records, Rich Philip owns property at 5289 Oakbrook Drive, in Plainfield within the Saratoga Subdivision. This subdivision exits directly onto 40 and Moon road, less than a mile from the proposed entrance of this new subdivision. This will provide a direct impact to his property values as well as a direct impact to the traffic patterns at Moon and US 40. Mr. Philip should therefore recuse himself from this hearing.
