DETAILED DESCRIPTION OF REQUEST

Vacation of Applecreek Subdivision

Petitioner is filing this Petition to Vacate the recorded Plat of the Applecreek Subdivision, as recorded in Plat Book 8, page 85 in the records of the Hendricks County Recorder. Petitioner is requesting that the Plainfield Plan Commission vacate the plat and all covenants, conditions, and restrictions included therein, including all building setback lines, use restrictions, development standards, and all other portions of the plat except for platted easements and rights-of-way.

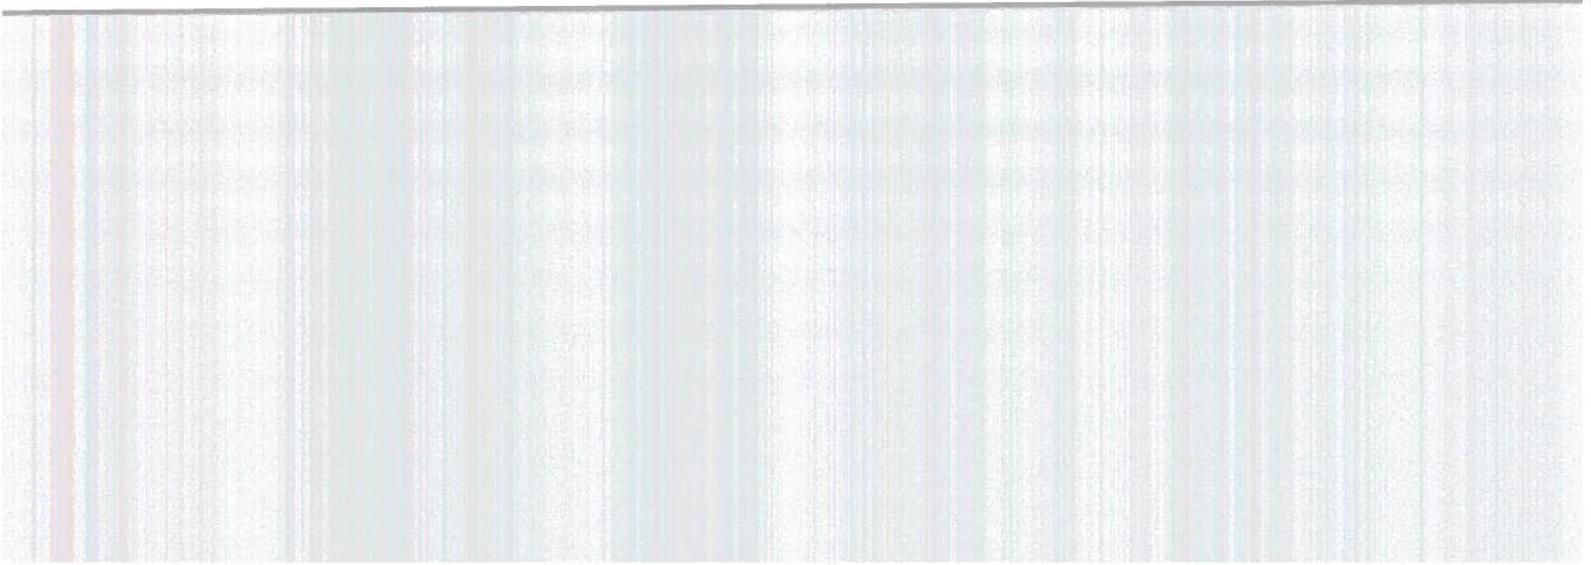

An application to vacate all rights-of-way and platted easements will be filed with the Plainfield Town Council, pursuant to the requirements of the Town of Plainfield Subdivision Control Ordinance, Article V, Section 5.1.

LEGAL DESCRIPTION

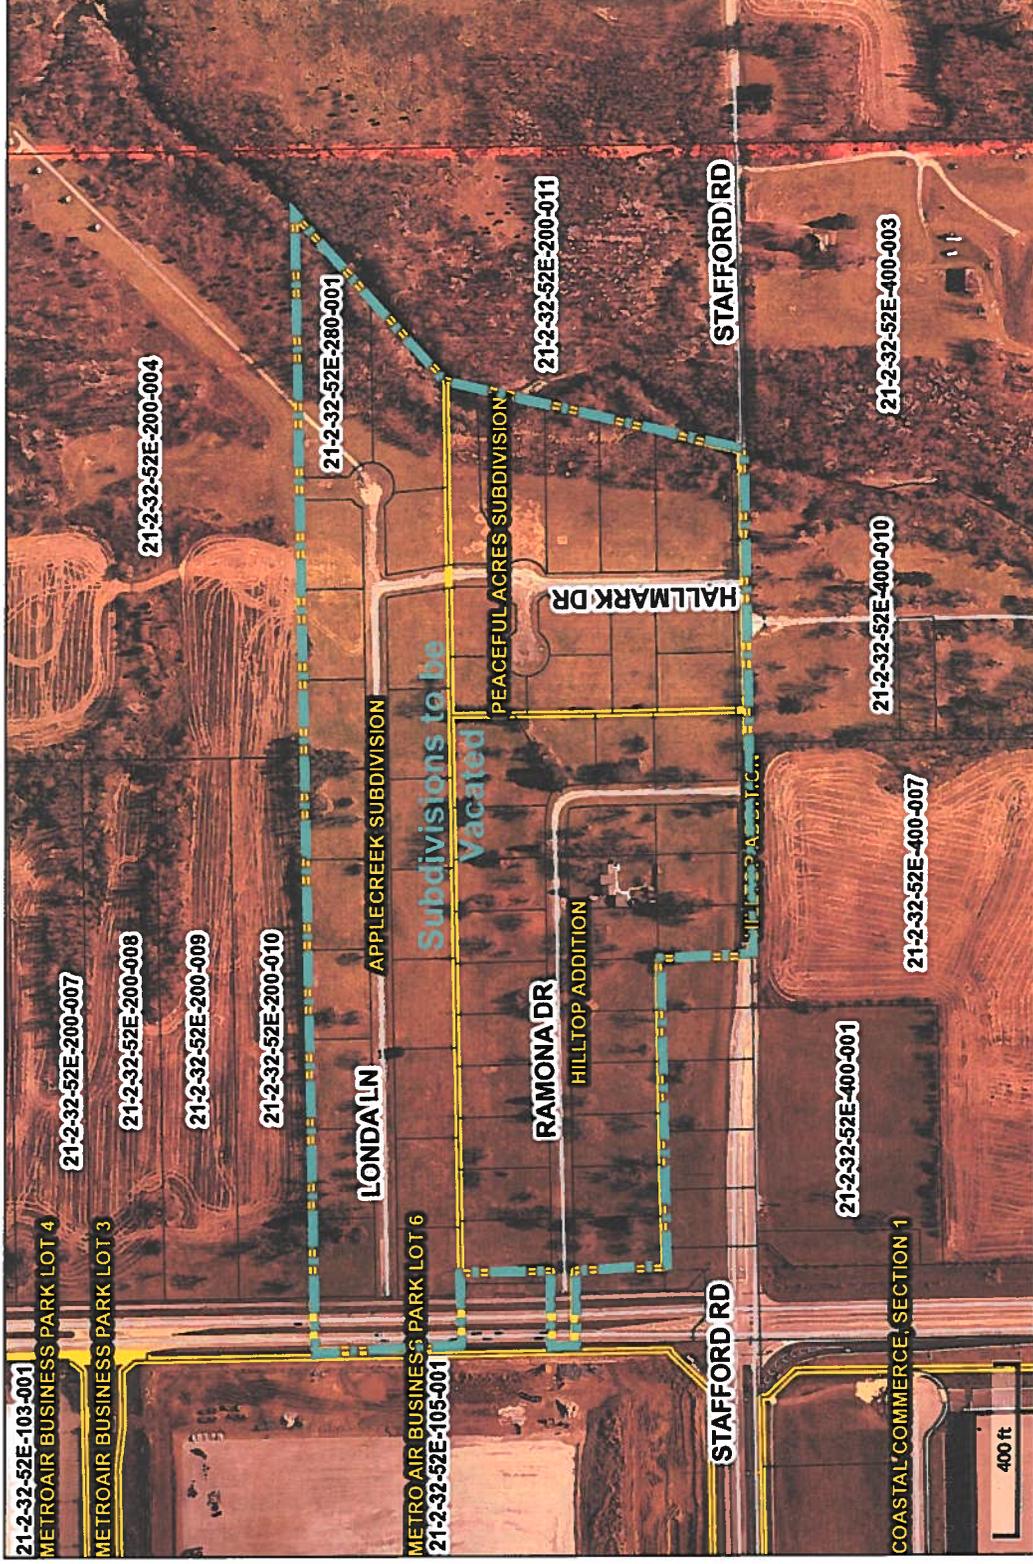

Vacation of Applecreek Creek Subdivision

All platted lots, utility easements, right-of-ways, and Covenants identified on, for, or within the Applecreek Subdivision, a subdivision in Guilford Township, Hendricks County, Indiana, as per plat thereof recorded in Plat Book 8, page 85 on July 11, 1973, in the Office of the Recorder of Hendricks County.

FINDINGS OF FACT

Petition for Vacation of Land in a Plat

Address: Applecreek Subdivision

Docket No: _____

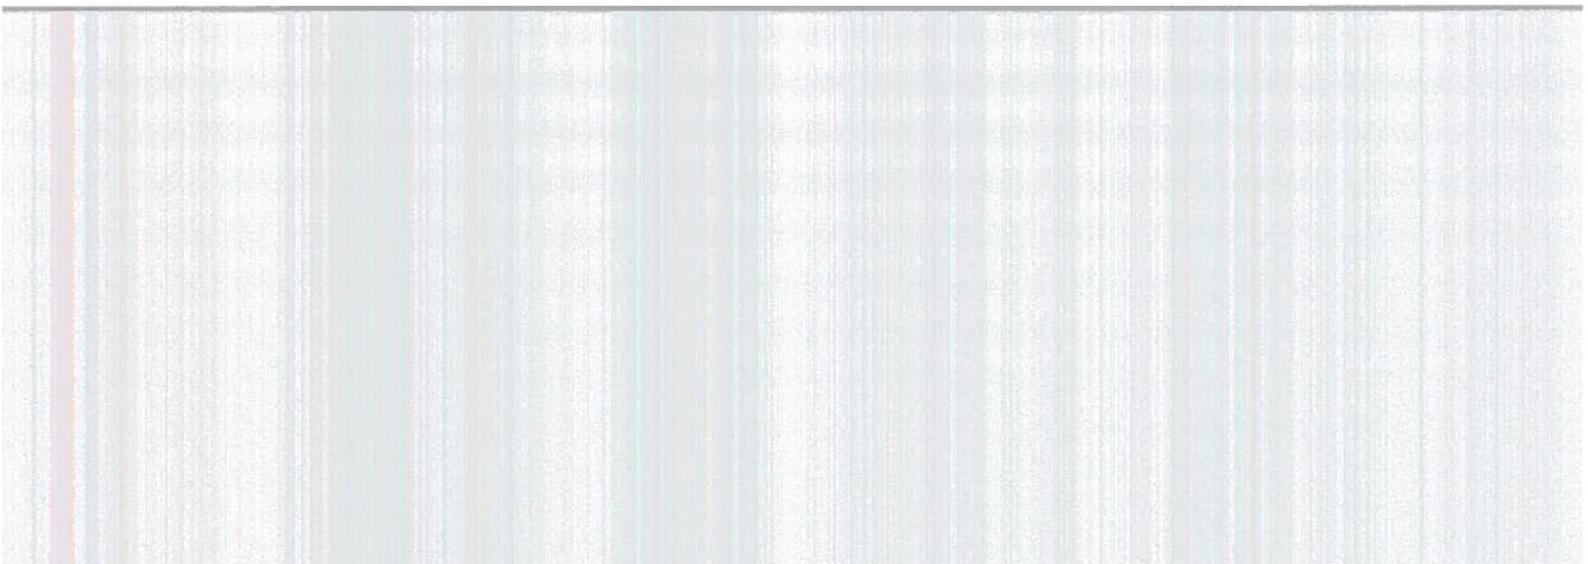

The Plan Commission may approve a petition for the vacation of all or part of a plat upon finding that:

- 1. The conditions in the platted area have changed so as to defeat the original purpose of the plat because:
the growth of the neighboring Indianapolis International Airport, razing of all of the houses that previously occupied the subdivision, and the significant development of industrial/warehousing uses in the immediate area, has resulted in the land that makes up this platted subdivision no longer being desirable for single family residential uses or development as was originally intended in 1966, when the plat was recorded.
- 2. It is in the public interest to vacate all or part of the plat because:
the current use limitations within the covenants of the recorded plat and the lot layout with related utility easements prevent the subject property from being developed consistently with the Town of Plainfield Comprehensive Plan and the recently approved Planned Unit Development.
- 3. The value of that part of the land in the plat not owned by the Petitioner will not be diminished by vacation because:
the Petitioner owns 100% of the lots within the subdivision to be vacated and will also file petitions with the Town of Plainfield to vacate all public right-of-ways and platted easements within the platted subdivision resulting in an unencumbered parcel ready for development consistent with the Town of Plainfield Comprehensive Plan and the recently approved Planned Unit Development involving the subject property.

RE: *Vacation of Recorded Subdivisions*

- *Applecreek Subdivision*
- *Hill Top Addition*
- *Peaceful Acres Subdivision*

Dear Agency Representative:

Ice Miller LLP is representing Strategic Capital Partners in their request to vacate three (3) platted subdivisions located in the northeast quadrant of Stafford Road and Ronald Reagan Parkway. The involved properties are currently zoned Planned Unit Development (PUD). The request is to vacate all of the platted lots, easements, and any covenants, conditions, or restrictions associated with the recorded plats. This vacation request will be heard by the Plainfield Plan Commission as specified within the Plainfield Subdivision Control Ordinance.

Enclosed are copies of the Vacation Petitions, with related plans and exhibits, for your review. These vacations are tentatively scheduled for review at the April 4, 2018, Plainfield TAC Meeting.

Petitions to vacate all public right-of-ways and utility easements within the three subdivisions will be filed and will be heard by the Plainfield Town Council as specified within the Plainfield Subdivision Control Ordinance.

If you have any questions regarding the project and the enclosed information, please contact me at (317) 236-2106.

Sincerely,

ICE MILLER LLP
