FINDINGS OF FACT

Petition for Vacation of Land in a Plat

Address: Hill Top Addition

Docket No: _____

The Plan Commission may approve a petition for the vacation of all or part of a plat upon finding that:

1. The conditions in the platted area have changed so as to defeat the original purpose of the plat because:
the growth of the neighboring Indianapolis International Airport, razing of all of the houses that previously occupied the subdivision, and the significant development of industrial/warehousing uses in the immediate area, has resulted in the land that makes up this platted subdivision no longer being desirable for single family residential uses or development as was originally intended in 1966, when the plat was recorded.
2. It is in the public interest to vacate all or part of the plat because:
the current use limitations within the covenants of the recorded plat and the lot layout with related utility easements prevent the subject property from being developed consistently with the Town of Plainfield Comprehensive Plan and the recently approved Planned Unit Development.
3. The value of that part of the land in the plat not owned by the Petitioner will not be diminished by vacation because:
the Petitioner owns all but one (1) lot within the subdivision to be vacated. This single lot not owned by the Petitioner will retain direct access to public right-of ways and utilities and new development of the immediately adjacent land will be designed to accommodate the use of the lot for residential purposes. The Petitioner will also file petitions with the Town of Plainfield to vacate all public right-of-ways and utility easements within the platted subdivision resulting in an unencumbered parcel ready for development consistent with the Town of Plainfield Comprehensive Plan and the recently approved Planned Unit Development involving the subject property.

Enclosed are copies of the Vacation Petitions, with related plans and exhibits, for your review. These vacations are tentatively scheduled for review at the April 4, 2018, Plainfield TAC Meeting.

Petitions to vacate all public right-of-ways and utility easements within the three subdivisions will be filed and will be heard by the Plainfield Town Council as specified within the Plainfield Subdivision Control Ordinance.
