Class Descriptions

AQUA X – Taught by instructors certified for group water fitness. This class is designed to increase cardio fitness, increase flexibility, build lean muscle, reduce body fat, and strengthen muscle without the impact on the joints by using the resistance of the water.

BOOM - Have you hit a fitness plateau? Do you like fast-paced workouts that are done in 30 minutes? Can you handle a challenge? BOOM was developed by leading fitness experts to improve strength, flexibility and endurance in convenient 30-minute workouts. These classes will challenge you, but don't worry: One-handed pushups aren't required. The instructor will go through 3 different types of workouts that focus on cardio, muscles, and mind.

BOOT CAMP – Come check out the very intriguing class to get the best total body workout you can find. Be ready to be pushed to the limits in this boot camp style class. You can get all of the essentials and full workout you need in a quick 45 minute workout.

BUTTS & GUTS! - The perfect combination for targeting your most common problem areas. A challenging variety of abdominal and core exercises will tone and strengthen your midsection while gluteal focused moves work and tone your backside.

CARDIO TONING – This is a class that incorporates a wide variety of exercises including bench (not necessarily a step class), weights, band, and a ball. Toning will be either while elevating heart rate or alternated with a cardio push. This type of work out will not only maximize your time in the gym, but it will maximize your fat burning well!

CIRCUIT TRAINING – This workout is geared toward those who want some variety in their workout – an amazing mix of cardio and toning. It will utilize a combination of circuits: cardio, arms, legs, back and core. Some classes may be held outside (weather permitting). Come join the fun and burn not only calories, but melt away fat and those hard to lose inches!

CYCLING – This intense cardio class will burn off those tough calories as well as increasing stamina and energy levels! Get on that bike and ride!

EVERYTHING BUT THE BARRE - is a full body, low impact workout combining ballet inspired moves with elements of Pilates, Yoga, and Strength Training. Barre focuses on high reps of small range movements that are great for targeting the core and toning the glutes and legs. Everything but the Barre is for every body and all fitness levels.

GOLF CONDITIONING – A class designed to help promote strength, flexibility and balance in the golf swing. Golf conditioning helps increase distance and stamina for the season!

HIIT – HIIT stands for High Intensity Interval Training. In this class you will work hard for short bursts and then have an active recovery period, varying the time of work and rest.

HIIT CYCLING – HIIT stands for High Intensity Interval Training. In this class you will work hard for short bursts and then have an active recovery period, varying the ration of work and rest.

P90x – Cardio class, for the everyday normal person. This program opens the door for you to see dramatic, visible results

PILATES – This class will help you develop core strength, a leaner body by lengthening and strengthening muscles without building bulk, and improve balance, poise, stability and flexibility! The class works with deepest muscles of the body to build strength and control to improve mind/body awareness, reduce stress and fatigue as well as relieving pain, stiffness and tension. It is suitable for anyone regardless of age or level of fitness.

PiYo – A mixture between a Pilates and a Yoga workout. Participate in this class and work on your core strength while soothing your body and mind.

ROCKET INSPIRED YOGA - This class is designed for individuals who currently take yoga and are in good physical health. The class moves faster for more cardiovascular benefits and also yields increased strength, endurance, balance and flexibility.

SCULPT & STRETCH – An energizing aerobics class combining active stretch sequences and various low impact toning exercises for a total body workout designed for all fitness levels.

SILVER SNEAKERS CIRCUIT – Formerly known as “Cardio Circuit”, Aerobic or cardiovascular exercise is the highlight of Silver Sneakers Cardio Circuit. The class features upper-body strength workouts using hand-held weights, elastic tubing with handles and other fun accessories in non-impact aerobic activity. A chair is available for support and easy head-to-toe stretching.

SILVER SNEAKERS CARDIO – Formerly known as “Cardio Fit”, Get Up & Go with an aerobics class that is safe, heart-healthy and gentle on the joints. The workout includes easy-to-follow low impact movement, and upper-body strength, abdominal conditioning, stretching and relaxation exercises designed to energize your active lifestyle.

SILVER SNEAKERS CLASSIC – Formerly known as “MSROM”, have fun and move to the music through a variety of exercises designed to increase Muscular Strength, Range Of Movement, and activity for daily living skills. Hand-held weights, elastic tubing with handles, and a ball are offered for resistance; and a chair is used for seated and/or standing support.

SILVER SNEAKERS STABILITY - Stability is the newest class designed to help you become stronger and improve balance. The movements taught in class focus on specific exercises to improve strength and power around the ankle, knee and hip joints, while improving your reaction time. This class is designed for fall prevention and is suitable for nearly every fitness level. It can be adapted depending on the skill of individual participants. A chair may be used for balance and support.

SILVER SNEAKERS YOGA – Formerly known as “YogaStretch”, this class will move your whole body through a complete series of seated and standing yoga poses. Chair support is offered to safely perform a variety of postures designed to increase flexibility, balance and range of movement. Restorative breathing exercises and final relaxation will promote stress reduction and mental clarity.

TOTAL BODY TONING – Full body toning and shaping is the focus of this class as we use a variety of strength exercises to shape and tone the bodies different muscle groups.

YOGA – This class will sooth your body and mind, while allowing your body to strengthen and become more flexible.

YOGA STRETCH- – Stretching class using yoga poses along with bands, Pilates rings, and all with a little assistance from the instructor

ZUMBA – This class is fun and exciting workout based on Latin Dance moves. The easy to learn dance combinations use fast and slow rhythms to tone and sculpt the body while also providing an incredible cardio workout.
